the Constitutional Convention.

Phoenix, Ariz., November S.—The first clash in the Constitutional Convention over prohibition occurred yesterday. When the debate on the initiative and referendum was resumed in committee, the convention. tlative and referendum was resumed in committee, the convention was thrown into confusion by the introduction of amendments by advocates of both sides of the 1 cal option question.

After a veral votes, in which the "wets" showed the greater strength, but gained no permanent advantage, the convention adjourned until Monday.

Nature warns you when the track of health is not clear. Kidney and bladder troubles compel you to pass water often during the day and get up many times

during the night. Unhealthy kidneys cause lumbago, rheumatism, catarrh of the bladder, pain or dull ache in the back joints or muscles, at times have headache or indigestion, as time passes you may have a sallow complexion, puffy or dark circles under the eyes, sometimes feel as though you had heart trouble, may have plenty of ambition but no strength, get weak and lose flesh.

If such conditions are permitted to continue.

If such conditions are permitted to continue serious results are sure to follow; Bright's disease, the very worst form of kidney trouble, may steal

Prevalency of Kidney Disease.

Most people do not realize the alrming increase and remarkable prevalency of kidney disease. While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physicians, who usually content themselves with doctoring the effects, while the original disease constantly undermines the system.

A Trial Will Convince Anyone.

If you feel that your kidneys are the cause of your sickness or run down condition, begin taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because as soon as your kidneys improve they will help the other organs to health. In taking Swamp-Root, you afford natural help to nature, for Swamp-Root is the most perfect healer and gentle aid to the kidneys that has yet been discovered.

Swamp-Root is Pleasant to Take.

If you are already convinced that Swamp-Root is what you need you can purchase the regular fifty-cent and one-dollar size bottles at all drug stores. Don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., which you will find on every bottle.

and excellence. A sworn certificate of purity with every bottle. EDITORIAL NOTICE.—To prove the wonderful merits of Swamp-Root, you may have a sample bottle and a book of valuable information, both sent absolutely free by mail. The book contains many of the thousands of letters received from men and women who found Swamp-Root to be just the remedy they needed. The value and success of Swamp-Root is so well known that our readers are advised to send for a sample bottle. Address Dr. Kilmer & Co., Binghamton, N. Y. The Newport News yard deducts \$4,500 from its bid if the trial is held over the Rockland, Maine, course.

The vessels are practically of the Same type as those for which bids were opened in September, 1908, and May, 1909. Like them, they will have 742 tons displacement. The Newport News yard submitted the lowest bid, and the Maryiand Steel Company the highest.

The Newport News bid to-day was practically the same as last year, when it was \$629,000 each. In 1908 the contracts for ten destroyers were awarded, all of the Atlantic coast yards except the Maryland Steel Company getting two each. Last year contracts for five were awarded, each Atlantic coast yard except the Maryland Steel Company getting two each Last year contracts for five were awarded, each Atlantic coast yard except the Maryland Steel Company getting one.

Indianapoils, Ind., November S.—At 2:30 o'clock this afternoon Governor Marshall Pecelved a telegram from Gary, asking him to send troops there to quelt the rioting which had broken out in several places. He replied over the long distance telephone that Lake county should take care of the situation, and he could not use the National Guard for such a purpose.

The trouble is said to have grown out of the hiring of men to work for the re-election of Sheriff Grant. It was charged that both the sheriff and the Mayor had sworn in a lot of thuss, the first as deputies and the second as special policemen. DECLARES POLICY

Question of Trades Unions Must Be Solved Clearly and Freely. Special Cable to The Times-Dispatch.

Paris, November 8.—Premier Briand made his eagerly anticipated declara-tion of policy in the Chamber of Depu-ties this afternoon. The chamber was crowded, and all the members of the new ministry were in their accustomed

Contrary to his usual habit, M. Briand read his address from manuscript.
There was the greatest interest in regard to what the Fremier would have
to say on the burning question of the
day, the question of the rights of trades
unions and the course to be pursued
by the government in cases like the
recent railway strike.

M. Briand said legislation was needed in regard to the regulation of trades

M Briand said legislation was needed in regard to the regulation of trades unions. Such associations, he said, had hitherto been negiceted by laws. It is a grave question, he said, whether employes of public services can concertedly lerve their work. This question, he said, ought to be solved, and solved "freely, clearly and unequivocally."

The Premier said he approved of permament arbitration schemes, but when

The Premier said he approved of per-mament arbitration schemes, but when these schemes were ingeniously com-bined with preventive means they might remain inefficacious.

The government, said M. Briand, could not allow its agent, whose spe-lial position gives them special advan-tages, to paralyze the nation's life, and as existing legislation is not sufficient for this nurpose, it intends to ask the as existing legislation is not sunderent for this purpose, it intends to ask the chamber to complete it by adopting measures which will assure the work-ing of the public services in case of defection by the regular employes.
